

VICTORIA HOSPITAL GOLF DAY

8 JUNE 2012

Victoria Hospital founded in 1888, provides specialist 24-hour emergency and health care to residents of the southern Cape Peninsula.

Dependent on government funding, the hospital team do their best with community support, to ensure that quality health care within the best possible facilities is accessible to the entire community.

This approach to you is in respect of the **Victoria Hospital Paediatric Unit** where, together, we can make a visible and sustainable difference in the lives of the many young children who are treated here.

For this unit to operate efficiently and deliver the services required, there is a dire need to raise additional funding to provide these services.

- Venue:** Royal Cape Golf Club
- Date:** Friday 26 October 2012 **NEW DATE!!**
- Format:** 1pm Shotgun start, Fourball Alliance
- Fee:** R2000 per fourball OR
